במחזור בית הספר

On Friday (22/6/18) a school Musical took place in "Almog", Eilat. The Musical's topic was dedicated to Friendship at our school. Each and every class took place in the show.

Even our school dog Daisy (we have special "kalbanut" lessons) participated when a pupil was telling the audience that his homework was eaten by a dog.

The performance included songs ('Alouette', 'Do-Re-Mi',

'Consider Yourself', 'Friends' – from TV series, 'Let it Go', 'A Whole New World', 'Anything you can do, I can do better' and the final song 'Tomorrow'), dance, textual transitions that were learned by heart by 12 pupils of our English excellence group from fourth to sixth grades. Special surprises were our P.E. teacher's dance and principal's singing.

The idea to organize such event comes from the yearly topic of the English room "Music". English and Music are both international languages that bring

cultures, countries and people together. Israel wins Eurovision Contest this year. Music is helpful and effective in teaching new vocabulary and pronunciation. It is easier to implement English in early education – first, second and third grades, by using music.

It is possible to listen to the songs and watch the dances here:

We had a special stage for classes to sing, decorated by letters and notes. Each class sat in a circle made from white flowers.

"You are not going to believe it; a dog ate my homework!"

"In 'Almog' School we show real friendship!"

"The sun will come out tomorrow.

Bet your bottom dollar that tomorrow we'll be stars..."

The End!
